Ag Energy Co-operative
45 Speedvale Avenue East
Guelph, ON N1H 1J2

SITE VISIT REQUEST

Business Name:

Address:

Concession: Lot:..... Township:

Contact: Telephone: Fax:.....

I ask you to complete a Site Feasibility Assessment and provide me with a quote to supply, install and connect a ground-mounted 10 kW *micro*SOLAR PV system.

I am attaching a cheque payable to Ag Energy Co-operative in the amount of \$1,837.50 toward the costs of the Site Feasibility Assessment and System Engineering. I also understand that the deposit will be applied towards the total cost of the installed system if I choose to proceed. The amounts consist of one-half of the cost of the Site Feasibility Assessment and System Engineering plus GST. If you choose not to proceed, we will not bill you for the remaining half

I ask you to complete a Site Feasibility Assessment and provide me with a quote for a roof-mounted solar PV system. I understand that this includes a solar production assessment and a cost assessment but excludes structural and attachment assessments which require the services of an engineer. Please note that a ground-mounted site will also be identified if possible.

I am attaching a cheque payable to Ag Energy Co-operative in the amount of \$2,100.00 toward the costs of the Site Feasibility Assessment and System Engineering. I also understand that the deposit will be applied towards the total cost of the installed system if I choose to proceed.
